Upon review of the petition, the Department will determine whether:

- The petition does not meet the standards for submission, and, if so, the petition will be denied. The
 Department will notify the petitioner who may correct any deficiencies and resubmit the petition during
 the next open period; or
- The petition meets the standards for submission and, if so, the Department will accept the petition for further review.

If the petition is accepted, the Department will refer the petition documents to the Medical Cannabis Advisory Board ("Advisory Board") for review.

The Advisory Board has a minimum of 30 days to review the petitions before convening a public hearing to review all eligible petitions. The Department shall provide notice of the public hearing on its website.

After the public hearing, the Advisory Board will provide the Department Director a written report of findings and a recommendation either for the approval or denial of the petitioner's request. The Department will approve or deny a petition within 180 days after its submission during the biannual petition period.

The petitioner may withdraw his or her petition by submitting a written statement to the Department indicating withdrawal, at any time prior to the date of the public hearing.
