

Illinois Department of Public Health COVID-19 Recruitment for Critical Vacancies

Prospective Vendor Questions

Question We would like to know what the target compensation to include bonus potential will be for both roles since the requirement is for a fixed fee.

Response

- *Medical Director* - \$160,000 to \$250,000/year.
- *Deputy Director, Office of Disease Control* - \$105,000 to \$135,000/year.

Question What is the % of time spent on administration vs. clinical for both roles?

Response

- *Medical Director* – up to 10% will be clinical, 50-75% will use their clinical knowledge and expertise in formulating, advising, and developing regulations and policies, and the remaining 15-40% will be administrative.
- *Deputy Director, Office of Disease Control* – 100% administrative, 0% clinical.
