R7 stated "I did not get my morning medication at all this weekend. No one got their medication on this end of the hall. There was only one nurse and I asked her if she could give me my medication and she said no." R7 stated "I don't feel good about not getting my medication. It makes me angry."</p> <p>After speaking with R7, surveyor immediately went down stairs to conference room and reviewed the electronic medication administration records for R7 and other resident's on the same end of the third floor and obtained time stamped copies.
