S9999	Continued from page 1 Department of Corrections (IDOC) website, and check the Illinois State Police (ISP) website within 24 hours of admission for 1 of 5 residents (R175) reviewed for resident background checks in the sample of 34. The findings include: R175's Admission Record showed R175 was admitted to the facility on 3/7/26. R175's Illinois State Police background check, IDOC website check, and ISP website check were each dated 3/9/26 (completed 2 days after R175's admission). On 3/9/26 at 1:24 PM, V11, Director of Admissions, stated resident background checks, including IDOC and ISP website checks, should be completed within 24 hours of a resident's admission. The facility's Resident Background Check policy (undated) showed, "In accordance with provisions of the Nursing Home Care Act, this facility shall check the criminal history background on any Resident seeking admission to the facility, in order to identify previous criminal convictions..."
