VAX VERIFY

Instant Access to Your Illinois Vaccination Records

What is Vax Verify?

Vax Verify is a secure online portal that allows Illinois residents ages 18 and older to view and download their immunization records from the Illinois Comprehensive Automated Immunization Registry Exchange (I-CARE).

Why use Vax Verify?

Fast access: instantly view your vaccination history instead of waiting for records.

Proof of vaccination: Download documentation for school, work, travel, or other needs.

Easy to use: Complete a one-time identity verification to access your record anytime.

How to get started

1. Visit: dph.illinois.gov/vaxverify.html
2. Complete the one-time identify verification through Experian
3. View and download your immunization records
